

# Arrowmont Weekend April 26 through 28, 2024

The 2024 Arrowmont weekend will again be a collaborative effort between the East TN Woodworkers Guild and the Smoky Mountain Woodturners. Classes will be held at Arrowmont's wood studio and will begin Friday afternoon (April 26) and conclude Sunday noon (April 28).

The furniture class will cover veneering and anyone interested should contact Bill Key [keyws1@gmail.com](mailto:keyws1@gmail.com) or mobile # (410) 961-4784.

The Woodturning class will consist of several topics being taught by member turners.

***Sign-up for classes is open now and registration with Arrowmont for lodging and meals will open March 4. Please see the directions for both Class Sign-up and Registration with Arrowmont. Preference will be given to ETWG members for the furniture class and to SMWTS members for the turning class however available space is open to either membership.***

## **Activities**

The turning studio will cover 4 or 5 topics to be determined based on interest of the attendees. It is our intent that the instruction and project descriptions will be short enough to allow everyone ample time at the lathe to make a good start on each project or technique.

**Friday Night** from about 7:00 to 9:00 will be a meet and greet of the participants from both clubs with beverages and light snacks.

## **Lodging, Meals and Fees (Options and Cost)**

Lodging will be at Arrowmont with participants choosing between two facilities, the new dorm that replaces the one destroyed in the fire and the Teachers Cottage. Rates are as shown on the attached registration form.

### Meals at Arrowmont

Arrowmont has reduced the cost of the meal plan to \$85 for the 5 meals and eliminated the option to select individual meals.

Estimated Fees: Turning Participants \$75  
Furniture Participants \$100

Final Fees to be determined.

## **Directions for Class Sign-up and Lodging/Meals Registration**

To sign-up send an email to Andy Milligan at [andyh.milligan@gmail.com](mailto:andyh.milligan@gmail.com) giving your name and email address and indicating that you are attending the turning studio classes. Please mail a check for \$75 payable to SMWTS to cover the cost of the class.

**Send your check to:**

Andy Milligan  
905 ILEX CIR.  
Knoxville, TN 37919

## **Arrowmont Registration – Lodging and Meals (Arrowmont Registration)**

Use the attached registration as a worksheet to make your lodging and meal decisions. Register by calling Arrowmont at 865 436-5860 and ask for Sunny Moyer ext. 23.

**Also, there are a limited number of work benches (10) and lathes (14) in the studios. Early registration is important to assure you a space. If there are more participants than work stations we will consider space sharing.**

## **Turning Studio Classes**

### **Class Descriptions**

An eight-pointed star by Jim Volgelsang. Jim will show us how to make a star ornament without a 3-D printed holding fixture.

Others to be determined based on interest.

We are planning to give everyone more time in front of a lathe to get a good start on each project or technique. Instructors and mentors will be available to help everyone over any rough spots.

### **Friday:**

Friday's class will be from 2:00 to 5:00 PM.

### **Saturday:**

Saturday's class will be from 9:00 to 5:00 PM (lunch break at 12:00).

**Sunday:** Sunday's class will be from 9:00 to 12:00 AM ending with shop cleanup.

The studio should be open after dinner Friday and Saturday if anyone wants to work a little more provided that a buddy is available.

We will provide wood for these sessions and the estimated class cost including materials will be \$75.00.

If you have your own tools bring them, however, Arrowmont has most tools available. If you have further questions please contact Andy Milligan 865 207-2773 or [andyh.milligan@gmail.com](mailto:andyh.milligan@gmail.com). Please send an email indicating areas of interest (bowls, spindles, boxes, ornaments, pens, other) and your level of experience (beginner, intermediate, experienced) also any problem areas you need help with.
